Instructions: CPOD Commodity Update Form (Commodity Point of Distribution)

Purpose: This CPOD form shall be used to update the items in inventory or inventory quantities throughout the activation of this CPOD Site. Frequency of update should be coordinated through your Emergency Operations Center.

Instructions for Jurisdictions:

Field	Instructions
Date	<u>Required.</u> Enter the date created.
Time	<u>Required.</u> Enter the time created. Use 24-hour time.
Handling	<u>Required.</u> Select one. Messages are sent in priority order and as soon as possible. Indicated times are approximate maximum wait times if radio net is busy.
TO / FROM	If needed, radio operator can suggest most appropriate TO position and location.
ICS Position	<u>Required.</u> Enter the ICS position name.
Location	<u>Required.</u> Enter the location.
Name	Optional. Enter only if the message is to a specific individual.
Contact Info	Optional. Enter a phone number, frequency or other info that may help reach the person or position.
Jurisdiction	<u>Required.</u> Enter the name of the municipality/jurisdiction.
Prepared Date/Time	<u>Required.</u> Enter the date and time of this form creation. Use 24-hour time.
Site Name	<u>Required.</u> Enter the name of this CPOD site. This name should be the same one used in previous CPOD Site Information and CPOD Commodity Update forms. If unknown, please fill in a location of this site.
Status Update	Optional: Please fill in this field if there is a status change of this CPOD associated with this commodity update.
Commodities	<u>Required.</u> Please fill in a list of all commodities with the start of day quantity on hand, quantity distributed, and resulting quantity on hand as of the time this form was filled out. If more than 8 commodities are being distributed, please fill out an additional form and mark the bottom of each form page as <i>page number of number</i> (such as "1 of 2").

Instructions for Radio Operators:

Field	Instructions
Origin Msg #	<u>Required.</u> Enter the message number of the original sending station.
Destination Msg #	<u>Required.</u> Enter the message number of the ultimate destination station.
Relay	When relaying: Enter a call sign and/or time, or other useful mark or info, to indicate status.
Name	<u>Required.</u> Enter the first initial and last name of the radio operator that handled the message.
Call Sign	<u>Required.</u> Enter the call sign of the radio operator that handled the message.
Date	<u>Required.</u> Enter the date the message was sent/received.
Time	<u>Required.</u> Enter the time the message was sent/received. Use 24-hour time.
